E-CELL 2013-2014 EVENTS(10)

FE Orientation:(22/07/13)

E-cell 2013-14 started off its year with FE orientation. The first year students were made aware of E-cell and its presence in our college.

Engineering Life and Beyond (30/07/13):

The second year students shared their success mantra with the freshers.

E-cell logo competition(15/08/13):

This year, we asked our members to design a logo for E-cell. This was an online competition with lucrative prizes.

Market-o-mania(08/08/13):

It urged the students to showcase their marketing talents. The winners earned lucrative prizes!

Bizquiz(03/09/13):

It brought out the quizzing talents of the students vying for prizes. It was an awesome fun-event.

What An Idea Sirjee!(27/09/13):

Ecell 2013-14 organized What An Idea Sirjee and for the first time in the history of Sardar Patel Institute of Technology, the culture of Campus Companies was initiated in our campus! 3 out of innumerable participating companies were selected and were loaned money to establish themselves on this campus. It is expected to continue forever.

Intellectual property workshop(17/01/14):

E-cell S.P.I.T. Hosted the IP workshop by NEN in our college this year. Many faculties across various colleges under Mumbai University participated in this workshop.

EDII Launchpad(25/01/14):

This was a workshop for entrepreneurs held by NEN and hosted by E-Cell S.P.I.T. Many students participated and learned the a-b-c of entrepreneurship and idea-to-business procedure.

BSE Trip(17/02/14) :

E-cell collaborated with IEEE to organize a trip to the Bombay Stock Exchange. The tour provided invaluable information about the role of Stock Market in our daily life. The workshop was taken by professionals at the BSE. It was a great success.

Internship Fair 2014(29/03/14):

The most awaited and significant event of E-cell was a great success this year. Internship fair got a huge response from the students across all branches and all years. The fair provided both technical and non-technical internship opportunities to the students of S.P.I.T. Start-ups across Mumbai were invited for the fair. It promoted entrepreneurship and provided an invaluable experience to the applicants.
